PUBLIC CHOICES MAKE DECIDEDLY POOR SHOWING AT LATONIA TRACK.

Donau, Once More on His Good Behavior, Among the Afternoon's Winners-Runner-Up in Latonia Derby Among the Unplaced Favorites.

Cincinnati, O., June 23.—Latonia favorites continued to run poorly today, all six first choices going down to defeat. The winners in most cases came from the ranks of the second and third choices with the exception of Star O'Ryan in the feature race, which was contested by some of the best three-year-olds in this section. Star Charter, the runner-up in this year's Latonia Derby, was deemed best, and probably was, but was virtually left 'at the post and this circumstance destroyed his winning chances, the made a remarkable final quarter sprint to finish fourth. Star O'Ryan, at long odds, scored over Melton Street by a narrow margin and almost lost the purse because of his rider's overconfidence. With alert handling. Star O'Ryan would have won by a couple of lengths.

Donau, showing an improved disposition at the post as a result of assistant starter Morrissey's painstaking lessons during the last few weeks, made a show of good opposition in the fifth race and won commandingly over Veneta Strome and Al Muller. The mile and five furlongs race, the first at this distance ever run here, went to First Peep, which, under good handling, held the others safe. Dick Baker, the favorite, took second money and Claudia was third. Althorpe was best of the twelve maidens that furnished the contest in the opener, though with better racing luck Leopold, the runner-up, might have given him more of an argument, Joe Deibold took the second race from a mediocre band of youngsters. He was aided by good racing luck, while some of the others were sufferers from a jam that came at the half-mile ground. Baltronia showed a good performance in the third to win over Tolson d'Or and Jeanne d'Arc. Desconnets and J. H. Reed, starters in this race, ran below expectations.

Judge Charles F. Price resumed his duties in the judges stand and at once got after the rough riders, for attempted interference. Jockeys Montain and Martin escaped with warnings. Judge Price aims to break up the practice of rough riding, even if he has to suspend every rider

Among this morning's work-outs were the series of the seri King Olympian—Mile in 1731.

NOTES OF THE TURF.

Jockey M. McGee now weighs 128 pounds.

The paid attendance at the Lagoon track is invariably in excess of 1,000, according to the Salt Lake dailies.

Seth won the Vancouver Derby, the feature of the closing day's racing of the Vancouver Jockey Club's first meeting. Salali was second and Bell Cliff third. The management of the Inter-Mountain Fair at Boise, Idaho, will offer \$1,000 for an Inter-Mountain Derby, distance one mile and a quarter, to be run in connection with the coming fall's racing at that

Worth's absence from the Harold Stakes field at Latonia this afternoon is due to his having met with a slight inury in his last start. He probably will meet The Manager and other good racers of his age in the Cincinnati Trophy at Latonia July 8.

The anomalous situation of some of the states of the American Union among civilized people is strikingly illustrated by the position of Mr. August Belmont, chairman of the Jockey Club of New York. Sufficiently interested in the sport of the turf to maintain establishments in three countries, he is prevented from doing so in his own. He has horses racing, or ready to race, in Canada, England and in France, but he cannot run them at home. It is a curious failure of popular government that destroys what it should have been capable of remedying.—
Toronto Globe.

It need not be emphasized how appreciated was the sporting spirit displayed by Mr. R. M. Dale in bringing over a Canadian-bred colt with a view to achieving classic honors, but the chance of Kel d'Or was proved to be hopeless on his ignominious performance in a merely ordinary field at Lewes. Here was another disappointment, but a Derby winner reared in the Dominion on the other side may not be beyond the range of possibility, and future attempts in this direction by Mr. Dale, or other owners, are sure of the sympathy and best wishes of sportsmen in the mother country.—London Sportsman.

EXTRAORDINARY HAPPENINGS AT HAMILTON

Dalmain Is Disqualified and Ruling Is Issued Barring Public Betting on Amateur Races in Future.

*Distance reduced to 5-8 mile and for two-year olds.

*Distance reduced to 5-8 mile and for two-year-olds.

In the steeplechase, Waterbridge fell at the first jump and broke his neck. Simpson, who rode him, suffered a broken collarbone.

Eagle Bird, winner of the sixth race, a dash of five and a half furlongs, was forced to equal the track record to beat Selwik and Montcalm.

Caper Sauce made a show of his companions in the opening dash. This good racer has been slipping into selling races for the past two years and beating some good horses.

The following is a copy of the ruling made by the stewards regarding races in which gentlemen riders will be seen in the saddle. It came as a result of talk on the part of disgruntled bettors: "Albert swill be seen in the saddle. It came as a result of talk on the part of disgruntled bettors: "Albert sing the stewards regarding races, who rode, gave Mr. Simons, the trainer of Wonder Worker, bet \$300 on the horse, and Mr. Kilgore, who rode, gave Mr. Simons \$40 to bet on Wonder Worker for him. As incompetent riders in gentlemen races are apt to create dissatisfaction, the executive committee, or recommendation from the stewards, have decided that in future no public betting will be allowed on events of this kind."

The program for the closing day is made up of nine races and the club announces that the horses will be called to the post for the opening race at 2:30. The executive committee of the club, at the request of Secretary Loudon, has added \$500 more to the National Handleap, which means that instead of \$1,500 there will be \$2,000 in added money.

Jawbone ran coupled with Froglegs in the Grant Spring Brewery Stakes this afternoon, John W. Schorr having purchased the coit from Barney Schreiber, The latter retained a half interest in today's stakes.

Jockey Shilling was fined \$100 by the stewards for roney riding on Dalmain.

for rough riding on Dalmain.

Harry Gliddings has decided to ship his stable from here to Windsor.

A match race which was made by S. C. Hildreth and Albert Simons for \$5,000 a side, at six furlongs, between Lahore and Zeus, has been declared off. Permission was sought of the stewards to run the match tomorrow, but was denied. Messrs. Hildreth and Simons were willing to run it without betting of any kind, but it was deemed advisable not to encourage races of this kind.

At the recent meeting of the Canadian Racing Associations, the following licenses were granted:

Trainers—A. G. Blakeley, J. M. Brown, G. Campbell, W. V. Conran, J. Coyle, H. Craven, P. Delaney, A. Ewing, J. S. Everman, J. W. Flynn, Fred Fox, M. Gorman, C. L. Mack, W. Martin, J. H. Me-Donald, J. McLaughlin, Jr., M. Nicoll, J. Powers, W. Storm, G. Sumners, E. Trotter and J. Wagnon.

The application of Frank Itson was laid over.

Jockeys—F. Adams, G. Archibald, B. Bryant, A. Burton, J. Gullett (for W. V. Conran only), R. Lucas, W. MeDermott, P. Quarrington, T. Rice, G. Rowley, R. Ryan (to ride horses trained by W. Walsh), B. Valets—F. Burton, W. Livingston, J. Rottere, L. Schlessinger, W. Whisenant and W. Whittemore.

RESIDENTS OF COUNTY ADMITTED FREE.

Salt Lake City. Utah. June 23.—This was Davis County day and all residents of the county in which Lagoon Park is situated, were admitted free. In consequence one of the largest crowds of the meeting turned out and witnessed excellent sport. Only two favorites scored, most of the best backed choices going down to defeat. The further entry of the horse Force was refused, owing to inconsistent running.

horse Force was retused, owing to header.

Frank Doss claimed the mare Jeanette M. from
H. G. Bedwell for \$450 in the third race. Jockey
Bevan was fined \$50 by the judges for rough riding
in the first race.

Paul Albertson, vice-president of the Butte Jockey
Club, arrived from Butte today and expressed surprise at the beauty and magnitude of the plant here.
The outlook for the forthcoming thirty days' meeting at Butte is most promising and from present
indications it will be the most successful ever held
at the great copper camp.

SPOKANE FAIR WILL BE BENEFITED.

Spokane, Wash., June 23.—While the thirty-six days running race meeting of the Coner d'Alene Fair and Racing Association will give the turf enthusiasts of the northwest a splendid opportunity to enjoy that sport, Spokane Interstate Fair officials are not overlooking the fact that the Lake City meeting will spell success for the six days of racing in connection with the big annual fair in this city. With from Soo to 1,000 horses quartered within twenty-two miles of the Interstate track, the best material ever available is promised for the running tace end of the speed program.

Horsmen have their eyes on the two Derbys, the Lake City and the Spokane, with a combined value of \$4,000, while the forty-two days of racing on the co-operative plan is also alluring. Absolute harmony marks the plans of the two organizations, with the Idaho officials closing down their plant for one week in early October while the horses come here to race over the local half mile track.
